Dear Ray,

No kidding, but I have enjoyed having you as my English teacher. Even though you have teased me alot this year, you will always be remembered by me.

I have always put my trust in telling you things about my girlfriend (you know who) and you have been very reasonable about it.

I felt very bad about what happened between you and me. But I guess I was rather hurt, although I hope it will soon be forgotten.

I only hope you won't tease the seniors next year

as much as you did me. The truth,

Mr. Prakes, tell me the truth, do you really like to tease me?

because you dislike mocking? I hope you don't—

just hoping you will enjoy teaching next year much better than this year. I mean because

Roy A. Frakes

Well Ray,

As the end of my high school days draws nigh, I am at last beginning to realize the profound effect that your English class has had upon me. I do hope that the end of school does not mean the end of our friendship. I am sure that all that I have learned in your classes will aid me in my later life. Be good to next years seniors, at least as good as you were to us (my brother is a senior next year)*. Have fun.

Yours as always,

Ronald W. Schmidt

* Stu told me to add this part. Wotta dreamer !!!!!

Dear Ray,
 I certainly enjoyed
 having you as a teacher
 this year. You've made
 the class very pleasant for us.
 You've helped with matters
 other than schoolroom problems. May
 God be with you through your life
 and bestow his greatest blessings upon
 you.

SCOTT'S BLUFF HIGH SCHOOL

SCOTT'S BLUFF, NEBRASKA

Dear Mrs. Black,

Many students have passed through the portals of S.H.S., taking with them memories of classes and the teachings of their instructors. We have considered you to be one of the outstanding instructors of our school **in your 20 years of teaching here.**

In your classes, Mrs. Black, we have learned not only general business, composition, citizenship, and math but neatness, power of concentration, and courtesy. Outside of class, your discussions and your help in solving problems make you popular with the students.

For being our friend and helping us over our rough spots, we wish to express our appreciation by dedicating **the 1953 Bluff to you.**

**With kindest regards,
THE BLUFF STAFF**

FOREMEN

This year we are proud to add a new name to the list of men who are the leaders of our school. It is that of Otto G. Ruff, who has assumed the position of SUPERINTENDENT of Scottsbluff Schools.

In his brief time here, Mr. Ruff has won the respect of the school and community alike.

We'll always remember the untiring effort that Charles H. Davis, Jr. gave towards improving the Scottsbluff school system.

Our best wishes go with Mr. Davis in his new position at Pueblo.

Pictured during one of the REGULAR SCHOOL BOARD meetings are, left to right Dan C. Ramsey, Glen G. Avery, J. H. Mead, Jr., Otto G. Ruff, W. E. Skinner, C. L. Abbott, and Paul Wheeler.

GUARDIANS

PRINCIPAL Lawrence Lemons, because of his capable leadership and guidance, is admired by both students and teachers. He is always ready to lend a helping hand.

Besides carrying out the regular duties of a Principal, Mr. Lemons teaches eighth grade math.

VICE PRINCIPAL R. Jay Roberts is a man well-liked by S.H.S. students because of his wonderful sense of humor. He gained fame this year as master of ceremonies of the faculty talent show.

Mr. Roberts is head sponsor of Hi-Y. ,

Glenn A. Erickson, VICE PRINCIPAL of the Junior High, wins the friendship of many Junior High students because of his friendly smile and pleasing personality. He is responsible for the new trades class at S.H.S. which he himself teaches.

REPRESENTATIVES from every class and organization make up the Student Council. Under the leadership of capable sponsors, the Student Council really provides an opportunity for student participation in planning school activities.

The adoption of the student savings plan and the installation of a juke-box for the school were two of the council's most important activities for the 1952-53 year. Others include being in charge of the annual Penny Carnival, the class and student council elections in the spring, the Community Chest drive in the school, a non-profit check stand during basketball games, and the selling of programs at each football game.

Scottsbluff was host to the State Student Council Convention October 17 and 18.

The S CLUB, made up of football, basketball, and track lettermen, has maintained the high standards of service and leadership established by the group in past years.

Many invaluable services to the school and separate groups were performed as in recent years. The S Club contributed \$100 to the band to help meet

expenses of the Lincoln football trip. It paid for all football injuries not covered by insurance. It also presented to the school a large aerial view picture of the campus.

On the social side there were picnics, semi-formal dances, the S Club formal in the spring, and finally the formal initiation.

Homecoming royalty chosen by Skittens are Don Hartwig, Attendant; Bob Wegelin, Attendant; and Marvin Popp, King. S Club members voted Sherry Richardson as Queen

UNDER the sponsorship of Jackie Wedemeyer, Shirley Pengelly, and Georgene Diers, the Skittens completed a successful year.

In their uniforms of red skirts and sweaters the Skittens backed the Bearcat grid team through victory and defeat. They felt their backing was successful as the Bearcats gained the title of Big Ten Champs.

With basketball season on its way the Skittens purchased new white jersey blouses.

DURING the year the Skittens had money-making campaigns in selling balloons, shake-a-roos, carnations with S on them, and forget-me-nots for the Disabled American Veterans. They also purchased a vending machine which was placed in the lower hall.

For a special social event the Skittens sponsored the football homecoming dance held at the Elks Lodge.

They Ride The Air Waves

UNDER the leadership of Art Taylor, radio production has expanded from one radio play a week to three

A series of dramas, comedies, and interviews kept both radio classes busy throughout the year

"Just to be different," the second annual radio show was a take-off on the Henry Morgan show. The assembly revealed many individual talents

At the end of the school year outstanding students in both classes had an opportunity to make a career of radio. They were given radio auditions throughout Western Nebraska

From the expressions on their faces, members of the fifth period radio class must be in the middle of a gripping drama. Taking part are: Luanne Lacey, Harry Brotzman, Bryce Troyer, Owen Lyon, and Art Taylor, Instructor

Looking over some of the latest reading material in fifth period radio class are left to right: George Flaherty, Don Keller, Jim Allen, Pat Wlaschin, and Howard Kennedy

From the looks of things, the fourth period radio class seems to be getting ready for their weekly radio show. Taking part are, left to right: Gary Segar, Don Wirfel, Louis Cohen, Corky Skilleit, Howard Goodell, Don Comstock, Bob Wegelin, Loretta Hardin, Howard Hale, Kay Pitzer, Art Taylor, Instructor, Barbara Adams, and Norma Loos

CONTESTS, contests, and more contests might aptly describe the activity in the art department this year. Students sent entries to the National Scholastic Contest, the state fine arts festival, and several poster contests.

For the first time the department sponsored a pre-Christmas art exhibit which was open to the public.

As regular projects the student artists tackled the stage sets for "Sweethearts," painted Christmas scenes on the windows of the school and several business houses, and during the fall held out-door sketching sessions on the school lawn.

Serving Our School

THE USHERS spent many hours during the past year ushering at games, class plays and for community entertainment.

While performing their appreciated services, the ushers have shown the most important characteristic of this activity—dependability.

The PROJECT ONISTS have given up much of their free time in the past year to be of service to the school. Among their duties are to set up equipment for showing films, setting up microphones for assemblies, and taking charge of equipment and playing records at school dances.

Pro And Con

From left to right are Marial Wright, Dick Gustafson, John Hilpert, and Barbara Comes, members of the S.H.S. debate team.

FILE CARDS, copies of "Vital Speeches," and suitcases were all important in the lives of S.H.S. debaters this year.

A "no decision" debate at McCook started out the season, followed by an inter-school debate at Grand Island. Later in the year the debaters

traveled to invitational tournaments at Lincoln and Omaha. The highlight of the season, however, was the Rocky Mountain Speech Conference at Denver on February 13 and 14. Scottsbluff entered two debate teams who competed with students from all over the Rocky Mountain area.

All set up and ready to go are: John Hilpert, Barbara Comes, Art Taylor, Instructor; Marial Wright, Jean Ann Wicks, and Dick Gustafson.

"The Little

To cut or not to cut was often the question in "THE LITTLE PRINT SHOP," Room 303, as scurrying journalists brought in reams of copy.

The 13 Echoes staff members found their lives filled with a round of running after news, writing stories, selling ads, making up pages, copyreading, proofreading, and finally on Friday distributing the Echoes.

Members of the staff attended both the Nebraska High School Press Association convention at Lincoln and the National Scholastic Press Association in Chicago this year. Trudy Scriven brought honors to Scottsbluff by winning first in news interpretation at Lincoln.

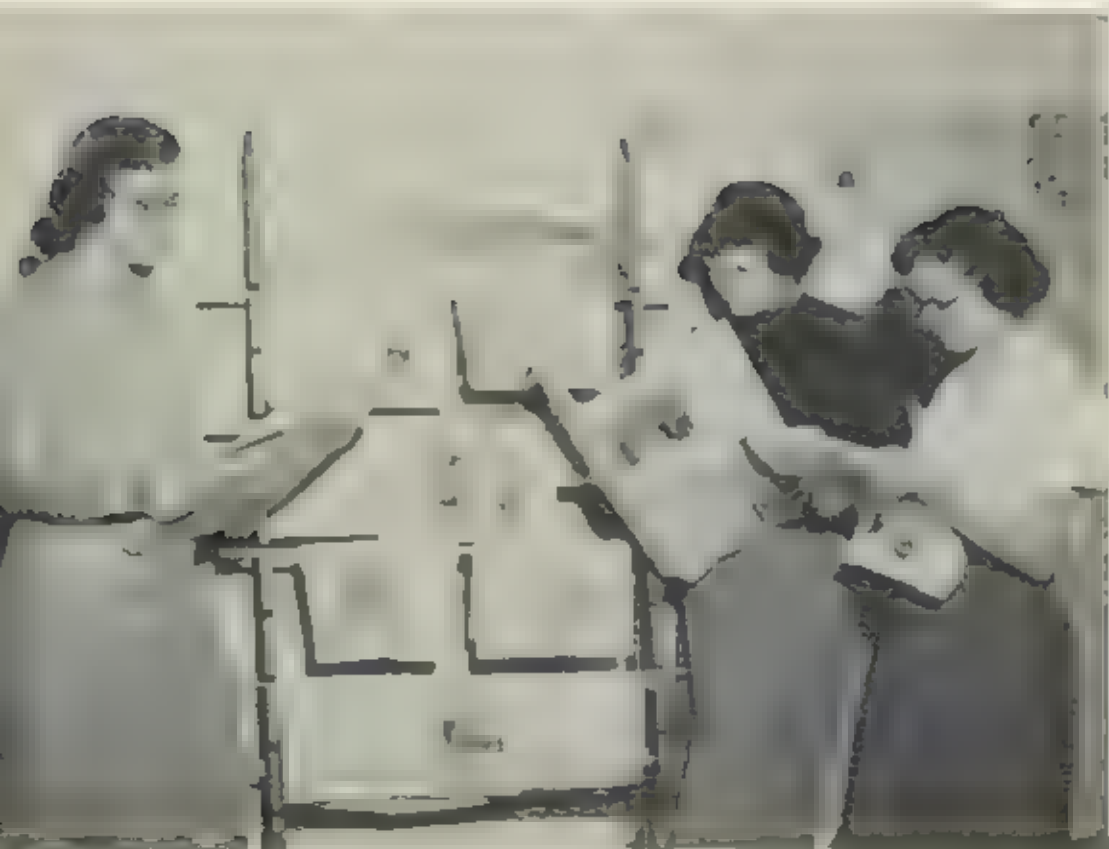

Looking ahead for the next issue of THE ECHOES are Co-Editors Jerene Josiassen and Barbara Comes.

We Spent

Choosing appropriate pictures for the '53 BLUFF are Co-Editor Shirley Bostwick, Sponsor, Irene Auble; and Co-Editor, Donna Loos

"The best BLUFF yet" might be the motto the Bluff staff used when they published the '53 annual. Room 303 was really humming when the staff was preparing to meet the three deadlines. Deciding on which pictures to use, writing copy, typing, debating, and working late describes the activity of the members.

Surprised and happy Bluff members received a trophy for the '52 Bluff at the State Press Convention. The trophy is an "Award of Excellence in Yearbook Publication" for the state of Nebraska. It is presented by the Grand Island Independent and the School of Journalism, University of Nebraska

Deciding on the cover and theme were two big jobs of the staff. They finally decided on the cover designed by Karen Stiles, Sophomore art student, and the division page designed by Carol Busacker, also a Sophomore art student

WITH the able assistance of Joanne Smith, Morris D. Hayes, vocal music instructor, has had time to breathe this year.

When the time came for a decision on operettas, "Gabby" decided to do a repeat of Victor Herbert's "Sweethearts." He directed that same operetta here in 1948.

THIS gave Mr. Hayes a chance to spend more time with Senior Choir, Bearcat Glee Club, and to develop a firm musical interest in the grade schools.

On February 2 and 3 of this year the Senior Choir traveled to Alliance for a vocal clinic. Dr. Jack Juergens of Chadron State Teachers College directed the two-day massed rehearsals and the concert which was held at the Alliance Municipal Auditorium.

The group presented two concerts during the year. The first, a Christmas program, "A Song Is Born," was presented on December 7, and the second one, a spring concert, was presented on April 28.

A social event for the chorus was a caroling party followed by a chili supper.

UNDER the capable direction of Vernon Forbes and his assistant Georgene Diers, the band has become one of the outstanding groups of S.H.S.

Their performances at both basketball and football games have contributed much to school spirit.

One of the highlights of the band's activities this year was their trip to Lincoln for the Scottsbluff-Lincoln High game and the Nebraska University Band Day. Others include the annual winter, spring, massed band and clinic concerts.

On March 16 the University of Nebraska band played in Scottsbluff under the sponsorship of the high school band.

The 1952 pigskin season saw Scottsbluff fielding one of the finest teams ever to wear the Bearcat colors.

Winning four straight, the Cats were bidding for the mythical State Championship when they ran into an unstoppable Lincoln Central outfit to absorb their only loss of the season.

For Bearcat fans the season's highlight was a 26-0 win over Grand Island for the Big Ten Championship and a record of nine wins and one loss.

In the final Nebraska Associated Press poll the Bearcats ranked second behind the Lincoln Links.

MITCHELL 32-0

The '52 version of the Bearcat grid squad was unveiled here Friday, September 12, as they met the Mitchell Tigers.

The Cats, having a weight and experience edge, got off to an early lead in the first quarter, a lead which was never relinquished. The Tigers, thoroughly outmanned, failed to threaten.

FORT COLLINS 21-14

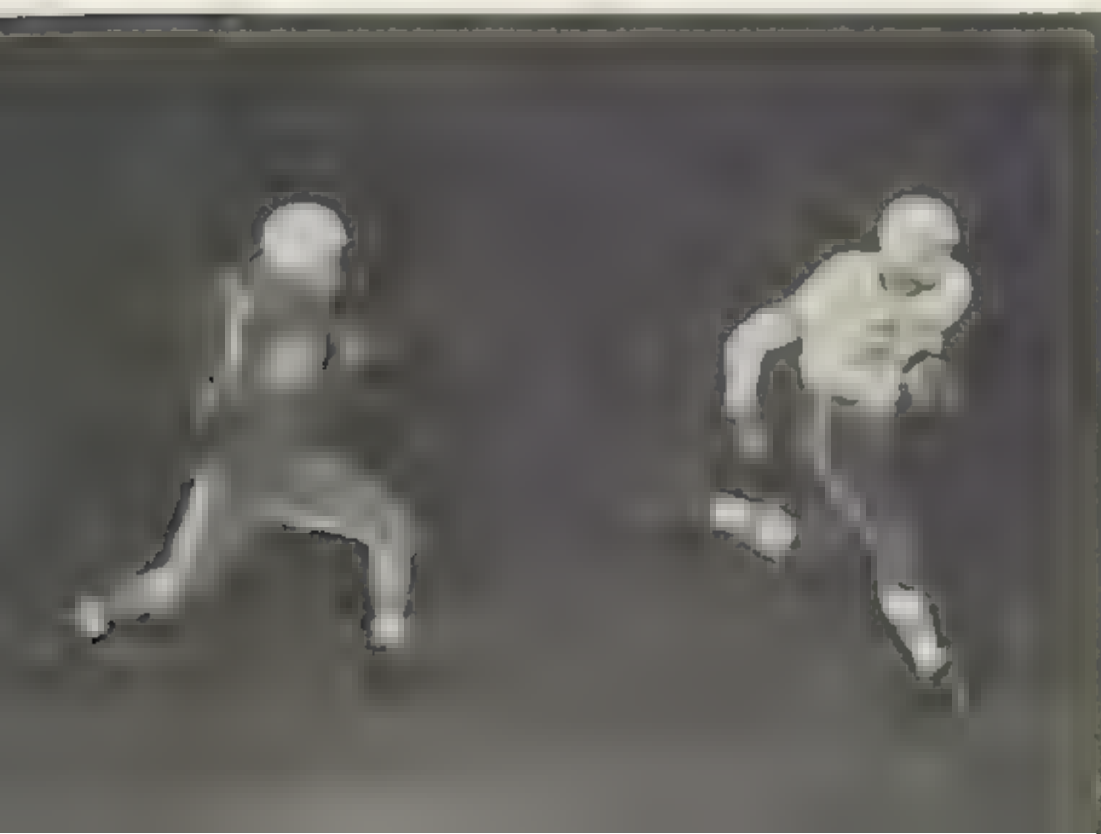

The Bluffs crew went to Colorado for their first out-of-town game of the year

The Lambkins proved to be every bit as tough as they were the preceding year. The Cats shot to a two-touchdown lead in the first half but were called upon to put down a Fort Collins rally in the third period. A pass interception and runback cinched the Scottsbluff victory.

RAPID CITY 26-14

The Bearcats returned home to take on the Cobblers from Rapid City, South Dakota.

The Cats, who were out to revenge a 34-0 defeat handed them at Rapid City in '51, coupled a good passing attack with a steady ground-gaining drive to grind out the win. The Scottsbluff fans were treated to a rare thrill when a sleeper pass play resulted in a score.

A Kearney player nabs Norm Nichols with a shoe string tackle

McCOOK 47-7

The Bearcats, showing tremendous strength on the ground and in the air, experienced little difficulty in taking an important win from the McCook Bison.

The game marked the opening of the 1952 West Big Ten Conference season for the Bearcats.

LINCOLN 7-13

In one of the best football games seen in many years in Nebraska high school circles, the Lincoln Links outlasted the Bearcats to take a close win.

The game was a thriller all the way with the Cats threatening to score several times but finding the Links' defense just a little too tough.

KEARNEY 26-6

The Scottsbluff gridders appeared to be a little sluggish in their first outing after dropping a close decision to the Links.

The blocking and tackling lacked the decisive sharpness of the previous week; the locals were effective enough, however, to defeat the Kearney Bearcats and take their second conference win.

NORTH PLATTE 25-0
SCOTTSBLUFF was assured of a share of the West Big Ten title as they took a 25-0 win over the North Platte Bulldogs.

The Cats gave early notice that they would be hard to stop, as they rolled to their first touchdown without losing control of the football after the opening kickoff.

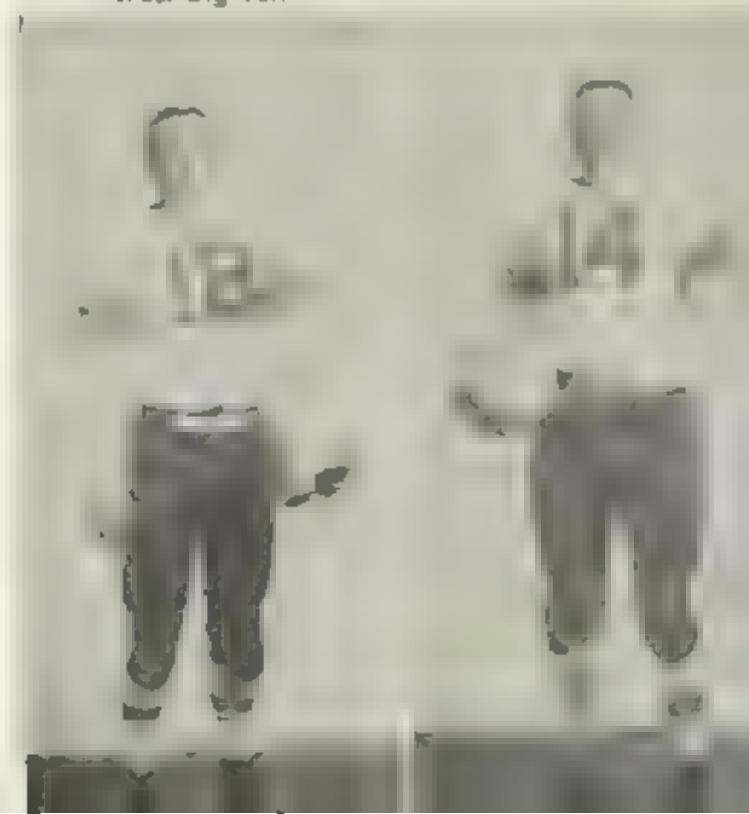

The win gave the Bearcats a conference record of three wins and no losses.

HOMECOMING

CASPER 40-13

The Scottsbluff Homecoming celebration was a great success as the Bearcats blasted the Casper Mustangs with everything in the book.

The highly-touted Wyomingites could not stop the powerful Bearcat offensive but were able to push over two scores of their own.

ALLIANCE 26-7

The annual Armistice Day clash between the Bearcats and Alliance saw the Bulldogs, always a threat, roar to a seven-point lead in the first quarter. In the remaining three periods, however, the Cats proved too much for Alliance as they went on to take a 26-7 win.

GRAND ISLAND 26-0

The Scottsbluff Bearcats, West Division Big Ten Champs, journeyed to Grand Island to meet the Islanders in the Big Ten play-off.

It was the third time the Cats had appeared in a play-off tilt. In the first play-off the Cats came out on the long end of a 45-12 score over the Islanders.

This year the Bearcats wrapped up their second Big Ten title with a 26-0 win.

BIG TEN CHAMPIONS

Standing left to right: Coach Warren Brown, Larry Kautz, Doug Chappel, Alan Deines, Ted Westervelt, Don Trout, Don Comstock, Marvin Popp, Student Manager. Kneeling: Norm Nichols, Dick Knaub, Bud Murray, Don Hartwig, Bob Wegelin, Dick Cottrell.

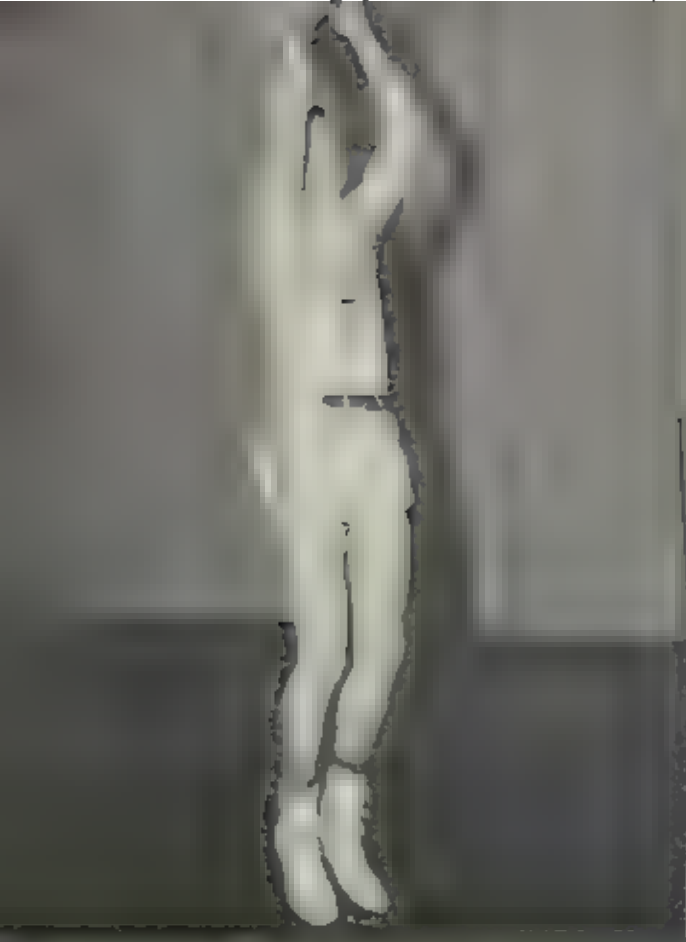

Shown mapping out the strategy that pays off in the win column are: Warren Brown, Varsity Coach; and Roy Kising, Reserve Mentor.

The BEARCATS wound up regular season play with the not-too-impressive record of ten wins and four losses. It was a successful season from the standpoint of conference and tournament play, however, as the Cats gained the Big Ten crown by beating Grand Island and later knocked off North Platte for the District Class A Championship.

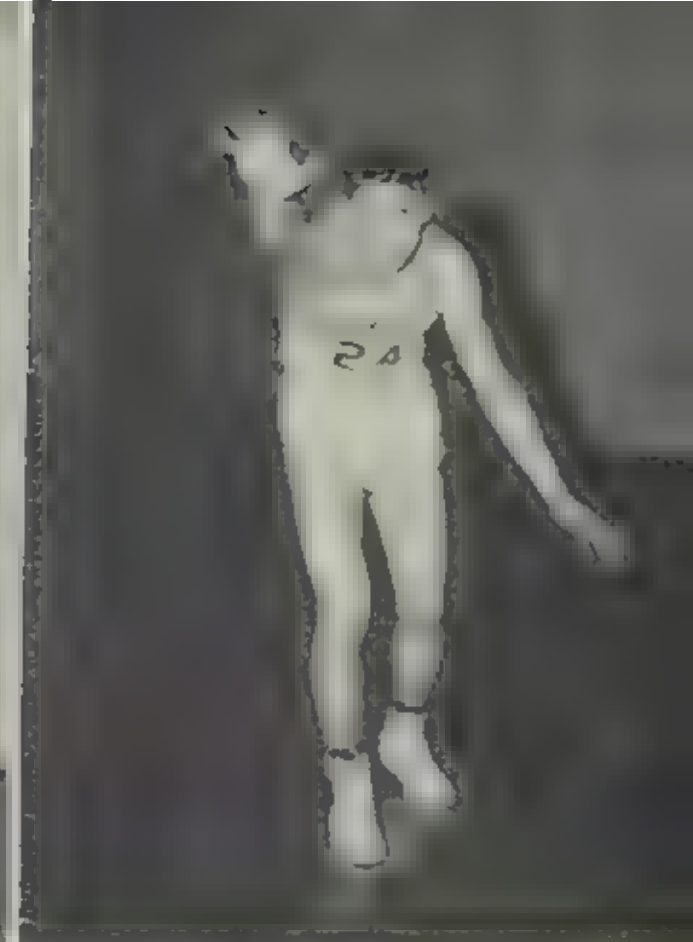

The man behind Scottsbluff's extensive athletic program is Leo Stangle, Athletic Director.

GERING 50-34

The boys from out west gave notice that they were the top team in the Big Ten scramble as they squeezed by the Platters with a one bucket margin.

KEARNEY 55-35

In a Bearcat against Bearcat clash Scottsbluff completely outclassed the Kearney boys, experiencing little difficulty in winning their fourth West Big Ten conference game. The victory gave the Cats undisputed possession of the conference crown.

MITCHELL 64-45

The Bearcats made it two in a row over the Mitchell Tigers, taking an easy victory over the Bengals on the local court.

ALLIANCE 50-47

Scottsbluff had to come from behind late in the game to take their second win of the season from the Alliance Bulldogs. The boys from up Box Butte way were determined to take their first basketball win in many years from the Cat but didn't quite have the stuff to stave off a last minute rally by the Bluffs crew

SIDNEY 68-38

The Bearcats resumed athletic relations with Sidney with a basketball game played on the Scottsbluff court. Scottsbluff was a rude host, however, as they literally swamped the Maroons

GERING 44-50

The Bearcats came out on the short end of the score after a fast and furious thirty-two minutes of basketball. Earlier in the season the Cats managed a win over the Bulldogs with little difficulty, but this time the shoe was on the other foot

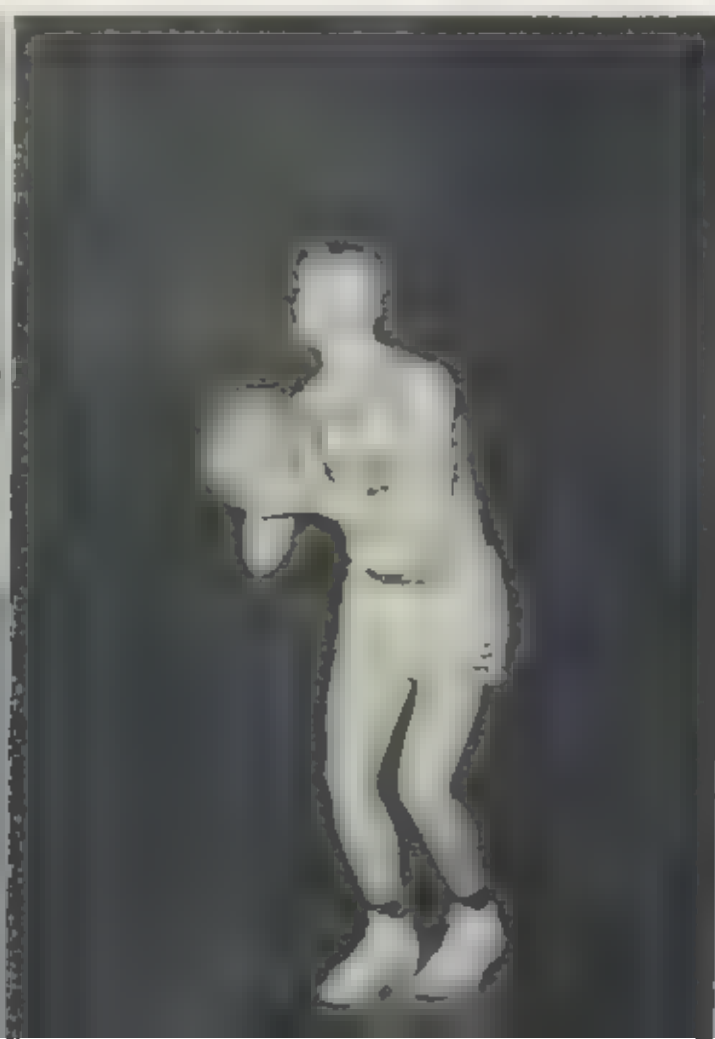

CURTIS 49-43

Scottsbluff closed out their regular season play with a close win over the Curtis Aggies. The Aggies had an up and down season but still managed to give the Bearcats a tussle

GRAND ISLAND 55-43

The Scottsbluff Bearcats and the Grand Island Islanders have met many times across intersection lines, the grand prize being the Big Ten basketball crown. Always in the past it has been the Islanders that have taken home the bacon; however, this year, as was promised by Bearcats boosters last year, was different.

Big Ted outreaches a Grand Island player to take the rebound.

Thank you for all the kind remarks you
made. I will be in the last year. I really
miss you next when I have my final
S.C. I will probably still be here when
I finally take my leave. So we
will miss you guys! I look at you in
a while and
we won't have all contact "Gorge"

Dear Ray,

I shall always remember the fun we had with "No Fear" and that embarrassing little incident about the Hamsters!

Your class was always a happy medium between work and play.

I guess I've done my best to understand your French and succeeded frequently and failed frequently too.

It's been fun to write to you during the last summer. I could look forward to that little card with a picture of something in Salt Lake and that illegible writing.

As usual to a favorite teacher.

Mr. Fraker,

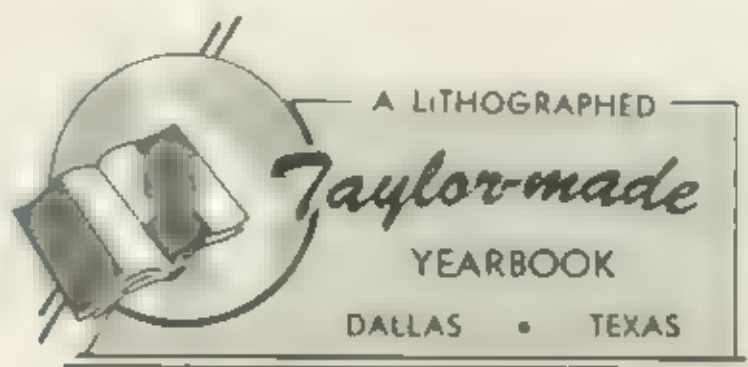

Dear Ray,

Your book is full (of nice books), so it just takes up a small space! I've had lots of fun in your class in addition to learning quite a bit. I hope I'll have you in my senior year so I can get an easy credit!!! Just be-

cause of agents (Yoko, I wanted to tell you that all the new problems I've had are favorite. I've been thinking about something new to say. That was so funny. Just thought I'd say it to a writer friend.

Yours
Bettie

Dear Ray and Agnes,
There are so many
things I remember,
and they are pleasant
too. Especially skip
day in Denver. I know
I won't forget Freddie
and her dead husband.
Although it couldn't
compare with Ray's. And
that wife! That's beyond
mention. All of the little
get togethers we've had
were so nice. The angel
food cakes were delicious!
I hope Agnes doesn't get
too jealous and Ray
doesn't get too depressed.
Best of luck always to a
really wonderful couple.

Dear Ray, (and Agnes)

Dear me, how can I ever make a true account of all the fun we have had together this year. Never to be forgotten is Frieda's Tea Room and her dead husband. Thanks a million for chaperoning us on 'skip day'. I know this old hole will seem empty without all of us being together and having a good time. I will sure miss the evenings with cake and nescap. Of course if I attend old S.C. I'll expect some more invitations. Again I say thanks to two really swell people. See ya 'round.

Ted

Dear Ray,

This year has been a success partly because of the many good times we've had this year. Frieda, or rather Monica and Frieda's dead husband will be a source of conversation for us for a long time. Your excellent imitation of Monica will scare me every time I think of it. I only hope that I can repay you someday soon for all the times I've had tea with Agnes and you.

Maybe we can have a rendezvous in Salt Lake City, just for old times' sake. My best to you and Agnes. I hope that in the coming years you will both realize all your hopes and dreams.

Sincerely,
Judy.

Dear
 I've been
 you now since the
 tenth grade after you
 were my English teacher.
 I've had loads of fun in your
 classes, both with you and the kids.
 I think that your classes have taught me
 a lot of English along with having a good time.
 I know that you have taught me much about English
 although you didn't do much to improve my spelling
 improvement is probably impossible.
 You have been a swell teacher and friend. I have
 enjoyed your two classes more than any of my other high school
 classes. I hope that we can see each other after my graduation.
 You and Geraldine have fun next year. I want to mind
 a lot of fun in
 your classes. Best
 of luck in the
 future Janet Bell

Ray:
 I've had fun
 in your ~~class~~ class
 & sometimes not so much
 fun. On the whole though
 I've had fun & I've learned
 more English this year than
 ever. Ben

Dear Mr. Frakes,

I haven't known you until this year, and let me tell you - our friendship started out with a bang (boards on your desk!) I mean it when I say I enjoyed your class the most this year. Besides learning a lot, we had a lot of fun in good ol' fourth period. Good luck to you. (Don't use that rubber hose too much) May I come back to visit next year? I'm going to anyway, as ever,

Janie Joachim

Dear Mr. Frakes,

I can't begin to tell you how much I think of you as not only a teacher, but also a friend. You have helped to make my hedgehazel years worth remembering. You have taught me more about English in the two years I have had you than anyone else.

I shall never forget you or the wonderful person you are. Thanks for everything you have done for me. The Best of Luck to a swell person who deserves

only the best. A Loving Student,

Luella Hardin '59.

Dear Mr. Frakes,

Having never been your student I can't thank you for all the wonderful things you have taught me. Let's really try to see eye to eye next year on Student Council issues should we?

Best wishes to you!

Karen Towner

Dear Ray:

Well, finally this year is drawing to a close and I would like to thank you for all that you have taught me and all the fun our class has had. I'll see you next year. (maybe)
